**CHULA VISTA**  
FIRE EXPLORER PROGRAM  
**Heartsaver CPR Courses For 2002**

Saturday, October 5<sup>th</sup>

Saturday, December 7<sup>th</sup>

The Heartsaver CPR course is designed to train participants in the lifesaving skill of both CPR and relief of foreign-body airway obstruction (choking). Successful course completion requires full participation in classroom and skill sessions, as well as successful performance in skill and knowledge evaluations. A two-year certification card issued by the American Heart Association will be mailed to you after completion of the course.

Prices:
